## Webinar report on Covid -19

A one day national level webinar on **“The COVID -19: Path Forward Navigating the return by scaling your resources and adapting to the New Normal”** was organized by Narasu's Sarathy Institute of Technology on 11<sup>th</sup> July, 2020. Dr. Benita Samuel, MD (Gen.Medicine). PG –Diabetology, JT. Director (Medicine), Salem Steel plant Hospital was invited as the resource person of the session.

The resource person started her speech with the importance of hand hygiene and infection preventing techniques to be followed during this Covid situation. In this session, she discussed about the spreading of virus and how to avoid it. According to various studies, the transmission of disease or virus goes from the cough or sneeze from your hand to your face. In order to avoid it, we need to use hand sanitizer or wash our hand with soap regularly. She also added that wearing a mask is must whenever we go out. She insisted that wearing a surgical mask or N95 mask is advisable when compared to other mask available in the market. We should maintain a distance of at least 1 meter from people who are coughing. She also suggested few traditional immune booster drinks to improve the immunity of an individual. In addition she said that keeping ourselves clean and hygiene will reduce the chance of getting affected by the corona virus. Finally she clarified the doubts raised by the participants.

### Key Areas Discussed:

- Hand Hygiene
- Social distancing
- Usage of Mask
- How to improve the immunity.
- Preventive measures

## National Girl Child day Celebration Report

National Girl Child day was celebrated through online mode at Narasu's Sarathy Institute of Technology on 24.01.2021. A total of 162 girl students and female faculty were present during the celebration. The Welcome address was rendered by Dr.M.Poonguzhali, HOD/ECE. Following the welcome address our Pro Chairman Mrs. Aishwarya Nitish address the gathering. Her speech regarding Women Empowerment was very inspirational and mine blowing. A definite goal and proper planning should be set by every individual and execute them in order to succeed. She also spoke about how girls are to be safe nowadays. Finally Vote of thanks was rendered by Ms. V.Suganya, Assistant Professor, Maths. Following this we conducted Essay writing Competition & Poster Presentation on the topic "Save Girl Child" in both Tamil & English Languages. Several girls' students participated and gave their best.

## Women's Day Celebration Report

Narasu's Sarathy Institute of Technology, celebrated International Women's day as "PEN" on March 8<sup>th</sup> 2021. The Main theme of IWD 2021 is "Choose to Challenge".

An Essay writing competition was conducted to all the female students studying in our college on the title "Choose to Challenge. Before starting the competition, Mrs.G.Jayasudha, AP/English, shared her views about celebrating International Women's Day every year. In that she stated that it's a day where women are recognized and appreciated for all their hard work and dedication to maintain their lives and the lives around them. She also added that it's a day to show the women in our lives how much we love and care for them. It's a day which is celebrated around the globe with a lot of love and happiness. It's an occasion where you show the women in your life how much their existence means to you.

Students actively participated in this one hour essay writing competition and shared their views about the women's education and their passion to create new things. After the competition, sweets and savouries were distributed to all the students.

## Rangoli Competition Report

**Theme:** To develop aesthetic sense amongst students, and make them think and work creatively.

**Objective:** To inculcate leadership and cooperative qualities while working together to draw a beautiful design.

Our students of NSIT are participated enthusiastically in Rangoli competition organised by Poovaiyar Empowerment Association on 8.10.2021 through virtual mode. Rangoli is an ancient art and timeless tradition that is followed all over India. The word Rangoli is said to have been derived from the words rang and aavalli which refers to a row of colours. In order to develop skill of aesthetics, creativity and innovation among the students, students were introduced to our Indian culture through such competitions. The students put up their artistic acumen on display. It was an assortment of colourful array at its best.

## Report

“PEN” of Narasu's Sarathy Institute of Technology, organised for an awareness program on “Empowering Women Safety” on December 29<sup>th</sup> 2021. The main objective of the program is to create awareness among the female students regarding the hurdles in front of us to achieve women empowerment in its true essence. Mr. Palanisamy, Sub Inspector, Deevattipatti Police Station was the Resource person. Our resource threw light on the progress achieved towards the women empowerment in India in particular and gender equality in general. He also highlighted the major challenges in the road ahead and suggested the remedial measures to overcome those. Principal, Dr. V. Munusami, welcomed the gathering. The session came to a close with an interaction session between the students and the resource.
